If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. 2021 Keokuk County Expo Queen Contest Rules

Superintendent: Carolyn Holm-Eslick (641) 295-6091

The last day for entering the Keokuk County Expo Queen contest will be Friday, June 25th, 2020. The contest will be held Thursday, July 15, following the Iowa State Fair Talent Search.

1. Each contestant must be at least 16 years of age and not more than 21 years of age on the first day of the 2021 Iowa State Fair.
2. Contestants must never have been married or have children.
3. A county fair queen must reside in the county she represents or an adjoining county if the majority of her activities are in the county she represents. If a fair represents more than one county, the willing contestant must reside in one of the participating counties.
4. Each contestant must be an active member of at least one service organization in her community such as church group, Girl Scouts, 4-H, etc. (Eligibility is not limited to 4-H membership).
5. Each entrant in the State Fair Pageant must be selected from a competitive queen contest at her county fair. If an Iowa fair does not have a contest, it may sanction another queen contest in their county as the "Official County Fair Queen Contest." The winner of this is then eligible to compete at the Iowa State Fair.
6. Only winners as indicated under Rule 5 are eligible to represent counties at the state pageant. In the event the county queen is unable to participate, alternates will be considered in order of selection.
7. No professional model (one who has had ongoing employment in which modeling was the primary part of the job) is eligible to compete in the state pageant.
8. Any contestant who has competed at the State Fair Finals may not compete again.
9. Any county fair queen selected after the 2020 Iowa State Fair and meeting the above qualifications is eligible for the 2021 pageant.
10. The Iowa State Fair will accept only one entry per county. Should there be more than one queen contest in the county, it will be the responsibility of the fairs concerned to hold an elimination contest. The only exception to this rule will be in those counties where more than one fair qualifies for membership with the Association of Iowa Fairs. In those cases both fairs will be eligible to submit candidates for competition.
11. It is the responsibility of each contestant to make arrangements for transportation to and from Des Moines. Hotel accommodations will be made for the county queen only.
12. The county queens will be the quests of the Iowa State Fair, starting Wednesday through the time of the crowning Saturday afternoon.
13. County fairs are requested to select their candidates by competition in which personality, leadership and beauty are judged.
14. At the State Fair, the "Iowa State Fair Queen" will be selected by the competent committee. Judging will be based on the following: Personality, Attitude, Appearance, Awareness; Leadership and Citizenship; Contribution to a Community; Overall Appearance, Charm, Poise
15. Each contestant should be prepared to appear in a variety of dress, such as street dress or suit, evening dress and casual wear.
16. The winner of the state pageant will be crowned "2021 Iowa State Fair Queen." The 2021 Queen will be required to remain at the Fairgrounds for the remaining time of the 2021 Fair.
17. The winner of the state pageant must agree to appear for the Iowa State Fair Board in official capacities as requested throughout the year until her successor is crowned. **This includes daily appearances at the 2021 Fair and a couple days at the 2021 Fair.** Transportation and expenses for these appearances will be arranged by the Iowa State Fair.
18. If the winner cannot reign until a new queen is crowned at the 2021 Fair, she must forfeit her

title and all awards associated with it to the first runner-up. She may then accept the title and awards of the first runner-up.

19. The winning contestant at the Iowa State Fair must agree to accept no other queen title nor endorse any commercial product as "Iowa State Fair Queen" for a period of 8 months following the 2021 Iowa State Fair with the written permission of the Iowa State Fair Board.
20. The winning contestant will receive all prizes at the time of the finals with the exception of the \$300 savings bond and scholarship. This bond will be presented to her after the 2021 Iowa State Fair Queen is selected.
21. Should the 2021 "Iowa State Fair Queen" marry or become ineligible before the 2021 queen is crowned, she will forfeit her title, crown and rights to the scholarship award to the first runner-up. Should the first runner-up become ineligible, she will forfeit title, crown and rights to the scholarship to the second runner-up.
22. The Iowa State Fair Board reserves the right to change and interpret the foregoing rules and regulations at any time as may be deemed expedient.

2019 Keokuk County EXPO Queen

Heidi Clarahan

For as long as I have remembered I have wanted to be crowned Fair Queen! This year my dream came true! It has been a true honor to serve as the Expo Fair Queen. For years I watched the Queens before me be magnificent role models for little girls (and boys) and I wished that I could someday do the same. I am greatly blessed to be part of such an amazing county community that has supported me along the way. Since being crowned my year as Queen has flown by. It has been full of life-changing experiences I will never

forget. Being Queen has allowed me to make several new friends and make a positive impact in Keokuk County. During the fair week, I was able to hand out ribbons and trophies to hard-working and deserving exhibitors who finally got to showcase all of their hard work and talent. I was even able to show my heifer in my crown and sash! I was also able to attend Figure 8 Races where I got to hand awards to the race winners. By far my most favorite Fair Queen memory happened at the Iowa State Fair. I had a blast representing my county and meeting many, many new friends from all 99 counties! I want to give a big Thank You to the Queen Coordinator, the Expo Board, the Extension Staff, my Family and all the exhibitors and their families for giving me tons of love and support during my rein as Fair Queen.

I sincerely thank You, Keokuk County for giving me the honor of being your Fair Queen!

Your 2019 Keokuk County Expo Fair Queen,
Heidi Clarahan

4-H Pledge

I pledge my **HEAD** to clearer thinking,
 My **HEART** to greater loyalty,
 My **HANDS** to larger service,
 My **HEALTH** to better living,
 For my club, my community,
 my country, and my world.

The FFA Creed

I believe in the future of agriculture, with a faith born not of words but of deeds - achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so--for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

The creed was written by E. M. Tiffany, and adopted at the 3rd National Convention of the FFA. It was revised at the 38th Convention and the 63rd Convention.
