If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence that such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit, and I will not allow others to violate this Code on my behalf. By entering an exhibit at this fair or exhibition, I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

Herdsmanship Contest

Division Rules

All livestock and small animal exhibitors are automatically entered into the Herdsmanship contest. It is vital that all 4-H/FFA exhibitors put their best foot forward and demonstrate the care that we give to our animals and the hard work that we as a 4-H program put into our projects, as well as how we work as a team.

Judging

A committee independent of 4-H and the fair board will be selected to judge. Those committee members will not be disclosed to the membership as an incentive to participate at all times.

Responsibility

Herdsmanship duties are the responsibility of all exhibitors and club members rather than leaders, advisors, or parents. If an exhibitor is going to be gone for any reason, it is their responsibility to ask another exhibitor to water, feed and care for their animals.

Basis of Scoring

The Herdsmanship judges will use the following scoring guide in judging herdsmanhip.

- Animals are as clean as the facilities permit with proper grooming, bedding and care apparent. Animals are to be properly tied and penned. Animals are to always have water available and feed at proper times. Feed and water dishes are to be upright, and any excess spillage always cleaned up.
- Stalls/pens/cages are clean, dry, and neat. Bedding is clean and fresh. Feed/feed pans and buckets clean and in place.
- All manure cleaned out and deposited in designated place continuously throughout the day.
- Tack and feed area should be kept clean, neatly arranged, and out of the way.
- Stall cards displayed neatly, are complete, and remain readable.
- Alley way should be kept clean at all times and free of equipment.
- Exhibitor participated in pre-fair set up and post-fair clean up.

- Exhibitor/attendant is courteous.

Time of Judging

Herdsmanship will be checked daily for the duration of the fair with no designated time of day each day.

Award

The Keokuk County Expo Fair Board will award an exhibitor for each species (beef, swine, sheep, & goat) at Awards Night.

1. The last day for entering the Keokuk County Expo Queen contest will be Tuesday, July 1, 2025.
2. Interviews will be Sunday, July 13th. Location and time to be determined.
3. Each contestant must be at least 16 years of age and not more than 21 years of age on the first day of the 2025 Iowa State Fair.
4. Contestants must never have been married.
5. A county fair queen must reside in the county she represents or an adjoining county if the majority of her activities are in the county she represents. If a fair represents more than one county, the willing contestant must reside in one of the participating counties.
6. Each contestant must be an active member of at least one service organization in her community such as church group, Girl Scouts, 4-H, FFA, etc. (Eligibility is not limited to 4-H or FFA membership).
7. Each entrant in the State Fair Pageant must be selected from a competitive queen contest at her county fair. If an Iowa fair does not have a contest, it may sanction another queen contest in their county as the "Official County Fair Queen Contest." The winner of this is then eligible to compete at the Iowa State Fair.
8. Only winners as indicated under Rule 5 are eligible to represent counties at the state pageant. In the event the county queen is unable to participate, alternates will be considered in order of selection.
9. No professional model (one who has had ongoing employment in which modeling was the primary part of the job) is eligible to compete in the state pageant.
10. Any contestant who has competed at the State Fair Finals may not

compete again.

11. Any county fair queen selected after the 2024 Iowa State Fair and meeting the above qualifications is eligible for the 2025 pageant.
12. The Iowa State Fair will accept only one entry per county. Should there be more than one queen contest in the county, it will be the responsibility of the fairs concerned to hold an elimination contest. The only exception to this rule will be in those counties where more than one fair qualifies for membership with the Association of Iowa Fairs. In those cases, both fairs will be eligible to submit candidates for competition.
13. It is the responsibility of each contestant to make arrangement for transportation to and from Des Moines.
14. The county queens will be the quests of the Iowa State Fair Tuesday, August 5th, through the time of the crowing Saturday evening, August 9th.
15. County fairs are requested to select their candidates by competition in which personality, leadership and beauty are judged.
16. A competent committee will select the "Iowa State Fair Queen". Judging comments are not available to the contestants or county representatives. Judging will be based on the following: personality, attitude, appearance and awareness, leadership and citizenship-contribution to community, overall appearance, charm, poise.
17. Each contestant should be prepared to appear in a variety of dress, such as street dress or suit, evening dress and casual wear.
18. The winner of the state pageant will be crowned "2025 Iowa State Fair Queen." The 2025 Queen will be required to remain at the Fairgrounds for the remaining time of the 2025 Fair.
19. The winner of the state pageant must agree to appear for the Iowa State Fair Board in official capacities as requested throughout the year until her successor is crowned. This includes daily appearances at the 2025 Fair and a couple days at the 2026 Fair. The Iowa State Fair will help with food and transportation expenses for these appearances.
20. If the winner cannot reign until a new queen is crowned at the 2026 Fair, she must forfeit her title and all awards associated with

- it to the first runner-up. She may then accept the title and awards of the first runner-up.
21. The winning contestant at the Iowa State Fair must agree to accept no other queen title nor endorse any commercial product as “Iowa State Fair Queen” for a period of 12 months following the 2025 Iowa State Fair without the written permission of the Iowa State Fair Board.
 22. The winning contestant will receive all prizes at the time of the finals with the exception of the scholarship. The scholarships will be presented to her after the 2026 Iowa State Fair Queen is selected.
 23. The reigning 2025 “Iowa State Fair Queen” is expected to conduct herself in a matter that reflects positively on herself, her family and on the Iowa State Fair. Should the reigning “Iowa State Fair Queen” become involved in any activity, including a drug, alcohol or tobacco related offense that reflects negatively on herself, her family or the Iowa STATE Fair, she may be required to forfeit her crown, title and rights on the scholarship award to the first runner-up.
 24. Should the 2025 “Iowa State Fair Queen” marry or become ineligible before the 2026 queen is crowned, she will forfeit her title, crown, and rights to the scholarship award to the first runner-up. Should the first runner-up become ineligible, she will forfeit title, crown, and rights to the scholarship to the second runner-up.
 25. The Iowa State Fair Board reserves the right to change and interpret the foregoing rules and regulations at any time as may be deemed expedient.

2024 Keokuk County Expo Fair Queen: Mason Clarahan

This past year of being your Keokuk County Expo Fair Queen has truly been everything I had hoped for and more! I remember when I was little, I would watch beautiful young women compete for the crown, and I remember looking up to them as role models. I am beyond grateful that I have been blessed with this title and have been able to serve my county. I wanted to strive as a role model for the youth and future of our county. I have gained so many amazing and life-changing opportunities since taking on the crown. I have been able to meet so many wonderful queens at the Iowa State Fair during the competition and gained new lifelong friends. I have learned so many new skills and have been able to serve my county even further with countless opportunities. I have been able to meet some hard-working people on the state and county levels and have been able to learn some valuable lessons from them. I have built so many new connections and met so many incredible people. I was also beyond blessed to get to spend my week this year with my little Miss Ainslee Wood. She's a fantastic example of what a Little Miss is, and I can't wait to finish up my year as queen with her during the fair! But all in all, I am so incredibly blessed and thankful that I have been chosen to represent something that means so much to me. I am forever thankful for the amazing community, friends, and family that have supported me in so many ways. With the memories made so far and the lessons I have learned, I am so excited to make more as I finish up my time as Queen. I would like to thank my family, friends, Expo Fair Board, Extension Council, and Keokuk County, as a whole, for the incredible opportunity to be and serve as your Expo Fair queen.

Your 2024 Keokuk Expo Fair Queen -Mason Clarahan
